Whitewater rafting adventure at pacuare, reventazon & Sarapiqui Rivers

Costa Rica offers some of the world's finest whitewater rafting. Montainous topography and copious rainfall are both responsible for this fact.

River trips are not only full of excitment, but also gorgeous, beautiful wilderness scenary.

Enjoy our tropical rivers, whether an expert or beginner, nature lover or thrill seeker, routes available range from turbulent waters of the lower Reventazon or Pacuare River to those of more quite waters where you spend more time watching wildlife, or a combination of rapids and calmer stretches where you can sit back and enjoy the passing scenery.
